

SS:OTS: HUNGRY BEARS

VO

{-----CummingsA-----}

CAMPERS BEWARE...

AN ADVISORY FROM THE
U-S FOREST SERVICE
WARNS CAMPERS TO TAKE
EXTRA MEASURES WHEN
STORING FOOD FROM
HUNGRY BEARS.

{***VO***}

FOREST SERVICE
OFFICIALS SAY THIS
TIME OF YEAR BEARS ARE
FATTENING UP FOR THEIR
LONG WINTER'S NAP.

SOME BEARS ARE
ACCUSTOMED TO HUMAN
FOOD AND THAT COULD
MAKE THEM EVEN MORE
AGGRESSIVE IN THEIR
SEARCH.

THE FOREST
SERVICE RECOMMENDS
STORING FOOD IN CAR
TRUNKS OR IN
BEAR-PROOF LOCKERS
PROVIDED AT MOST
CAMPGROUNDS.
